UX Designer, Front-end coder, technology nerd. My profile: www.richardharris.no

Experience

UX DESIGNER / FRONT-END DEVELOPER, FREELANCE, WORLDWIDE – 1998-PRESENT

I have over 17 years experience, personally designing and coding more than 20 websites. I create custom WordPress themes, web apps for smartphones, advise clients on User eXperience, and code front-end for applications and secure websites.

Skills used: UX Design, HTML5, CSS3, jQuery, Branding, WordPress, Podcasting.

FILM DIRECTOR, WRITER, COMEDIAN, TROLLCAKE STUDIOS, WEST COAST USA – 2015-2016

After performing standup and producing comedy shorts and videos alongside my web jobs, I was invited to storyboard and assist-direct a short film in Oregon. I also worked on a documentary about homeless travelers and performed in several shows.

Skills used: Project management, Visual communication, People skills, Technical skills.

SENIOR WEB DESIGNER, NETS, OSLO NORWAY – 2007-2015

Having worked closely with BBS' web team while at Nordea, I became a natural choice when they required a full-time User Experience Designer with coding skills. After BBS evolved into Nets, I created their first Design-guide with code-snippets, which all developers follow when making applications or pages for web. I also designed and created mobile applications, portal applications, online banking services, etc.

Skills used: UX Design, HTML5, CSS3, Javascript, jQuery, Flex, SCRUM, JIRA.

UX / WEB DESIGNER / USABILITY, NORDEA, OSLO NORWAY – 2000-2007

I was K-Bank's first in-house Web Designer, hired for my creative eye and quick learning ability. I designed UX and coded Nordea's website, Internet Bank and banner ads. As senior designer, I assisted with the visual transition from K-Bank to Nordea, designing the standards for Nordea's premiere online presence.

Skills used: Visual Communication, UX Design, XHTML, CSS, Javascript, Flash.
